MOTTO

"WE’RE ALL IN THIS TOGETHER"

VISION STATEMENT

We believe in promoting an inclusive setting where all are RESPECTED and achievement is EXPECTED.

MISSION STATEMENT

At Woodbridge Middle School, our mission is to work together to ensure that each student will acquire skills and knowledge to achieve academic and personal success. As a result, we strive to ensure that no child is left behind. All students will be empowered with confidence and the desire to continue a journey of lifelong learning. We believe in promoting an inclusive setting where all are respected and achievement is expected through academics, technology, fitness, and the arts.

1. WMS will provide a rigorous and demanding academic program of studies. Learning will be both relevant and meaningful. All students will learn and strive for excellence in all content areas. A variety of methods – alternative and extended times, after school, summer sessions – as well as various settings for learning such as co-ed and same gender will be provided to meet the individual needs of students and increase academic performance.

2. WMS will remain current in technological advances and best research-based practices through professional reading, collaboration, and staff development.

3. WMS will conduct on-going formal and informal assessments of student performance. Emphasis will continue on academic proficiency and application assessments and portfolios and student-led parent conferences which enable students, teachers, and parents to be involved in the evaluation process. WMS will evaluate students through standardized tests mandated by PWCS and Virginia state regulations.

PURPOSE

The main purpose of the PATS document is to define Woodbridge Middle School’s expectations, policies, and procedures to best facilitate a learning environment of mutual respect among/ between students, teachers, educational support professionals, parents/guardians, and administrators. The PATS document will serve as an organizational tool for the WMS school community and be used as one means of communication between the home and the school.

STUDENT ACHIEVEMENT

Woodbridge Middle School takes pride in recognizing out students’ academic success through our quarter honor roll recognitions and VISA program that offers students special privileges for their dedication to their school work. The rewards include breakfast or lunch off campus, free admission to selected school events, ice cream socials, and private dining in our Seminole Courtyard and Sculpture Garden, are just a few of the treats for student achievement.

REPORT CARDS AND INTERIMS

Report cards are issued four times a year. Interim reports will be issued midway between each nine-week grading period. Both interims and report cards will be mailed home to parents/guardians.

All incomplete grades are given only in those cases where a student has been unable to complete assignments due to illness, emergency, or pre-arrangement. An incomplete grade on a report card becomes an “F” if work is not completed within three weeks of beginning of the next marking period. Make-up work is the responsibility of the student. During each grading period, a student who has a passing grade but does not complete 65% of the assigned, evaluated work will be subject to a failing grade of 64%.

STUDENT-LED CONFERENCES

Woodbridge Middle is proud to present and share with PWCS, our community, and families, a school-wide approach to Student-Led Conferences. Our purpose is to bring families together to talk about learning, progress, and future needs during this process. All parents, teachers, students and administrators will work together to discuss academic success, personal goals, homework, social issues, and personal struggles with middle school students.

Parents: This process will allow our students to take more responsibility and ownership for their learning. One aspect critical to the success of student-led conferences is parental involvement. We are expecting and encouraging 100% participation. The administrators will work with all families to ensure we reach our goal. In order for this to happen, parents will come to school on specific dates and follow the process at the end of each quarter.

Students: All students have been trained in the process of planning, preparation, and delivery. WMS students are excited about this process and ready to ROLL…..See you there!

CLASSROOM ENVIRONMENT AND INTEGRITY

Parents/guardians and students are reminded that the integrity of the classroom environment will be upheld so that all students may learn. A teacher reserves the right to have a student removed from the classroom after all attempts (i.e., conference, redirection, positive reinforcement, detention, etc.) have been utilized but still positive outcomes have not been achieved. In the event that a student is not able to remain in the classroom, the parent/guardian must pick up their child. Woodbridge Middle School takes pride in its reputation of having a positive environment for all in the educational process.

EMERGENCY CARD POLICY

Emergency cards must be on file for every student. Parents are asked to complete the information requested on the front and back of the card and send the completed card to school with your child. Remember that each student and parent must sign the back of each Emergency Card. Please make every effort to list all emergency contact persons with a telephone number who is available during the school day. As the information changes (such as employer and telephone numbers for parents), please take the time to update this information with the office staff. This is important as this card is utilized in cases of illness or injury to a student while at school.

COMMUTING STUDENTS/CARPOOL POLICY

Parents/guardians who are dropping off their student in the morning or picking up their student at dismissal, cannot park or remain stationary on any part of YORK DRIVE. This is a safety issue for the student. Drivers must use the drop-off/pick-up designated point.

PWCS/WMS BYOD POLICY

For purposes of BYOD (Bring Your Own Device), “Device” means a personally owned wireless and/or portable computing device that includes, but is not limited to, existing and emerging mobile communication systems, portable Internet devices, hand held entertainment systems or portable information technology systems that can be used for word processing, and wireless Internet access.

• Personal electronic devices may be used for instructional purposes at the discretion of the classroom instructor.
• Students will access only files and Internet sites that are relevant to the curriculum.
• When not in use for instructional purposes, personal electronic devices must be turned off and stored in student lockers.

REMEMBER: Share your locker with no one! / Do not give out your combination!

**BEHAVIOR MANAGEMENT**

*Disclaimer:*

- Disciplinary consequences are guidelines only, and a student’s previous record may be used to determine the next steps.
- Any property can be **confiscated** by school personnel if viewed as a disruption to the learning environment and/or refusal to put away (i.e., toys, articles of clothing, sports equipment, cell phone, etc).

**BEHAVIOR ON SCHOOL GROUNDS**
The student developed Code of Expectations establishes behaviors, attitudes, and actions that promote responsibility and success in school. Teachers will use a variety of proactive classroom management strategies in order to maintain an environment conducive to learning. Routine classroom procedures will be established in all classes and expectations will be taught to the students. When these strategies fail to produce positive results, and minor infractions (Level 1) are continuing to disrupt the learning environment, the teacher will work with students and parents to provide appropriate interventions. In some instances, infractions (Levels 2 & 3) are more egregious. In those instances, the administration will work with students and parents to provide appropriate interventions.

**Level 3**
- Automatic OSS
  - Examples but not limited to: Fighting, weapon possession, major vandalism.

**Level 2**
- Administrative Detention
- Night School
- Saturday School
  - Examples but not limited to: Excessive horseplay, verbal confrontations, skipping class.

**Level 1**
- Conference with Student
- Team Conference with Parent
- Teacher Detention
- Student Support Services Referral
  - Examples but not limited to: Persistent talking, classroom horseplay, inappropriate use of hall pass.
LEVEL 1 INFRACTION

An infraction that causes an interruption to instructional time. These infractions will be handled through teacher/guidance interventions. If more than one infraction occurs simultaneously, the student will serve the intervention of the more serious offense.

Once the infraction has occurred the teacher will:

1. Contact the parent/guardian (phone or email)
2. Initiate intervention; possible interventions:
   - Team Conference with student
   - Team Conference with student and parent
   - Teacher assigned detention
   - Student Support Service Referral

4. Non-compliance with the rules, failure to show up for Saturday School, or tardiness to Saturday School will result in Out of School Suspension.
"REMOVAL OF STUDENTS FROM CLASS" POLICY

The following guideline addresses the removal of a student from class by teacher for disruptive behavior. The Code defines "disruptive behavior" as:

A violation of School Board regulations governing student conduct that interrupts or obstructs the learning environment.

We understand that the removal of a student from class negatively affects that student's academic achievement; however, his/her remaining in class would adversely affect a larger number of students. Therefore, every effort will be made to ensure appropriate conduct so the learning process may continue.

Conditions for Removal
A student may be removed from class by a teacher under the following conditions:
• The teacher determines that if the student is not removed from class, the misbehavior will stop the learning process for the entire class;
• The student is causing physical/verbal harm to another student(s);
• The student is causing physical/verbal harm to herself/himself; OR
• The student is causing major property damage

Requirement for Incident Reporting and Written Referral to an Administrator
The Security Officer and/or Administrator will escort the student from the classroom and the Administrator will process the discipline referral.
• The teacher will provide a discipline referral and any supporting documentation of student behavior for any incident requiring the removal of a student from class.

Procedures for the Written Notification to Students' Parent(s), Including Contents of the Referral Form, and the Offer of the Opportunity to Meet with the Teacher and School Administrators to Discuss the Student's Behavior and the Possible Consequences if Such Behavior Does Not Cease
• The nature of the misbehavior will be communicated by the teacher to the parent by phone and a copy of the information sent home for a parent signature.
• In the event misbehavior continues, the level of consequence will follow the PATS Document and PWCS Code of Behavior (i.e.; parent conference, after-school detention, Night School, Saturday School, and/or Out-of-School Suspension). All documentation will be filed in the student's discipline record.
• Alternative methods of addressing the behavior will be determined by an administrator with input from parent and teacher. Examples of alternative methods are: change of teacher or, depending on seriousness of offense, an alternative location to continue schooling. For example: Home Based Instruction, Alternative School.

Guidelines for the Alternative Assignment and Instruction of Such Students for the Duration of Such Removals
• Alternative assignments will be given by the Administrator or school counselor
• Make-up class assignments will be provided by the teacher; the Administrator will determine if credit will be given.
• The Administrator and teacher will determine the length of time the student is removed.
"REMOVAL OF STUDENTS FROM CLASS" POLICY Con’t…

Procedure for the Return of Students to Class, for Teacher Participation in any Decision by the Principal to Return a Student to Class from Which the Student Has Been Removed, and for the Resolution of Any Agreements Regarding Such

• The Administrator may meet with the teacher and the student separately, then jointly with parents to determine readiness of the student to return to class.
• A review of expectations for appropriate conduct may be discussed with all parties. An agreement in writing will be made by all parties.
• The case may be appealed in the event an agreement cannot be made by all parties.
BUS BEHAVIOR MANAGEMENT

This policy is essential for the safe and orderly transportation of WMS students to and from school.

Students and parent(s) must understand that riding the school bus is a privilege. In other words, should a student be reported to the principal, the principal will be responsible for disciplinary action which may include the loss of the privilege of bus transportation until the parent, the bus driver, and the principal can arrive at an understanding which will correct the problem. The parent(s) will be responsible for the transportation of the student(s) who have lost bus transportation privileges.

The School Bus Regulations are premised on the Code of Virginia (§22.1-76) which permits school boards to provide transportation for pupils but does not require them to do so.

COMPLAINT OF BULLYING

The Prince William County Public Schools “Code of Behavior” states, “Any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. ‘Bullying’ includes cyber bullying. ‘Bullying’ does not include ordinary teasing, horseplay, argument, or peer conflict.” The principal and staff of this school are committed to the enforcement of the “Code of Behavior” and will respond promptly and appropriately to complaints of bullying. Any student can complain about bullying by talking to an administrator and/or completing this form and returning it to an assistant principal or principal. This form may be photocopied or obtained from the school counseling office.

DISCIPLINE APPEALS PROCESS

The appeals process is one in which a discipline incident is disputed by a student and/or parent/guardian and is governed in accordance with PWCS Regulation 744-1. The purpose of the appeals process is to review, in a professional and cooperative manner, the incident. It is assumed that the consequences in the document are given in light of the cooperative effort of the Woodbridge Middle School community in creating this document. Therefore, we would assume that appeals usually will be based on a denial of wrongdoing. The student/parent/guardian will be responsible for starting the appeals process in accordance with County policies. Volunteer members of the WMS Discipline Committee will initially serve as the Appeals Committee. Eventually, this duty will be shared by all faculty members throughout the school year.

The following steps will be followed:

1. The consequence for the student's infraction is explained to the student and parent/guardian in accordance with the established rules and consequences.

2. A student and/or parent/guardian may appeal the suspension within three (3) school days. The request must be in writing, using the appropriate form and returned to the administration. The parent/guardian, as well as the school, is obligated to follow the established timelines in order to meet due process requirements. In this appeals process, it is critical for the person appealing to answer in writing the question of why an exception should be made, as well as the impact of any such exception.

3. The administration will set the date and time of the appeal and communicate such to the parent/guardian, the Appeals Committee, and the referring teacher. Appeals will be heard within five school days and will occur at either 7:30 a.m. or 3:15 p.m. No appeals will be heard on Friday afternoons.

4. The Appeals Committee will meet at the prescribed date and time with the parent/guardian, student, and administrator, and possibly the referring teacher. At this time, all details which are pertinent to the situation shall be given by the administrator, parent/guardian, student, and possibly the referring teacher. The Committee will ask questions to help clarify any issues dealing with the situation.

5. The parent/guardian and student will be told that the Committee will deliberate privately on the information provided and advise the administration of its decision.

6. The Committee will deliberate on the appeal and come to a consensus. They may choose to uphold the original decision, offer an alternative to the consequence, or rescind the consequence altogether. The Committee may not increase the severity of the consequence. They will notify the administration of the decision reached.

7. The administration will contact the parent/guardian and/or student and advise them of the Committee's or administrator's decision within 24 hours.

8. If the parent/guardian does not agree with the decision of the Committee and/or administration, the parent/guardian may appeal in writing to the Area Associate Superintendent within three school days.

TARDY TO CLASS POLICY

Our expectation is that students will move with a purpose from one class to the next in order to maximize instructional time.

Our tardy policy will work in conjunction with student anecdotal records and be linked to student conduct grades.

1st - 3rd Tardies …………….. Warning and Parent Contact
4th Tardy ……………………… Administrative Detention and Parent Contact
5th Tardy …………………… Night School and Parent Contact
6th Tardy …………………… Saturday School and Parent Contact
7th Tardy …………………… OSS and Parent Contact

- A bell will ring at the end of each period. Teachers need to release students on the bell. If any student is held for any reason, a pass needs to be written. This is especially important for students moving from core to encore or encore to core, as these moves require more time.

- Teachers must be in the hall as students are dismissed to actively move students into your classrooms.

- Teachers should expect students to move from one class to the next within five minutes.

- Arrival five or more minutes after the bell without a pass is considered an unexcused tardy.

- Class change time is not to be used to get drinks, go to lockers, or use the restroom:
  - Woodbridge Middle School follows the 10-10 RULE. Students are not allowed to leave the learning environment in the beginning 10 minutes of class or last 10 minutes of class.
  - Locker times are before 1st period, before lunch, after lunch, and at dismissal (Exceptions may be made with teacher or administration’s discretion.)

- NOTE: Acceptable passes:
  - Restroom pass (red plastic pass)
  - Signed agenda
  - Written, official red school pass
  - No student is ever to be released from the classroom without a pass, even if the water fountain or restroom is just outside your door.
BOOK BAG POLICY

Students are not allowed to carry book bags and/or large purses except to and from school or as outlined in the following paragraph.

Gym bags (string mesh bags) may be used to transport gym materials to and from the gym. These gym bags will be only large enough for gym clothes and personal hygiene products. Under no circumstances will they be used for any other purpose. Small purses may be used for this purpose as well.

Failure to comply with the above policy will result in an after-school detention.

DRESS CODE POLICY

It must be understood that the guidelines exist to ensure that there is no disruption to the school environment and to ensure that all students are safe. The wearing of a garment or accouterment by any Woodbridge student that distracts from the good order and discipline in the school and/or classroom is prohibited.

NOTE: The dress code brochure is located on page 11 and is on our school website.

If a student is not in compliance with the dress code, the Parent/Guardian will be called to bring appropriate attire for the student. Student will not be given clothing to wear or permitted to “find” appropriate attire.

The dress policy is to be adhered to for all school functions. Uniforms for participation in after-school activities are exempt from this rule except during the regular school day and will be selected based on the professional judgement of the school sponsor. Students are dressing for school. We do not need to be making fashion statements or dress in a manner that is not age-appropriate.

Repeated violations of the dress code may result in further disciplinary action.

PHYSICAL EDUCATION DRESS CODE POLICY

Dressing out is vital to success in the physical education program in order to avoid disruptions and provide a safe learning environment. P. E. clothing must be worn in accordance with County and school policies. The student’s name must be clearly marked on the outside of the shirt and shorts. Students will be properly dressed for physical activity in:

- WMS gym suit, athletic socks, and tennis shoes
- Plain t-shirt and gym shorts when gym suit is being washed
- Gym suits from other schools (in the case of a transfer student)
- Sweatshirts and/or sweatpants over the gym suit during periods of cold weather
- Students shall not wear jewelry during activity periods

Woodbridge Middle School and school staff will not be responsible for lost/stolen items. Belongings should be kept in LOCKED lockers at all times. If a student breaks into a locked locker, we will investigate and do our best to find the missing items; otherwise, there is nothing we can do.
GUM/CANDY/FOOD/DRINK POLICY

While students are permitted to bring their school lunch from home via lunch bag/box, large containers of food, cakes, cupcakes, family size bags of chips, party platters, etc. are not permitted unless authorized by administration for specific school functions (i.e., sports banquet, induction ceremony, club celebration). While we realize students do have birthdays and other celebrations, these are to be celebrated at home.

Students may carry water bottles from class to class and consume water during class, as proper hydration is extremely important. Please note: Only water may be consumed. Students may chew gum in the building if it is done maturely and disposed of properly. This could change if gum is found on the floor and under furniture. The classrooms belong to the teacher, and the teacher’s rules related to the consumption of snacks and chewing gum in their rooms are to be adhered to by all students.

BREACKFAST POLICY

The goals of this policy are:
• To ensure that students entitled to free and reduced meals, as well as other students using the breakfast program, are able to get breakfast in a timely efficient manner.
• To ensure that only students who are eating breakfast will be in the Cafeteria.
• To ensure that students participating do so in the most efficient manner.
• To ensure students are able to maximize their opportunities to learn.

The BREAKFAST POLICY will be implemented as follows:
• Students will go IMMEDIATELY to the cafeteria by the way of the Tech. Ed. and Music hallway.
• Upon entering the cafeteria, the student will purchase his/her meal and proceed out of the cafeteria and DIRECTLY to their homeroom class to eat their breakfast. The student is encouraged to eat a healthy complete breakfast.
• CAFETERIA DOORS WILL BE CLOSED AT 8:10AM.

CAFETERIA POLICY

Violations of cafeteria expectations will result in an Administrative Detention assignment.

Cafeteria expectations include, but are not limited to the following, must be followed:

• Students will enter promptly within 5 minutes of dismissal from previous class
• There will be no more than 16 students at each table
• Students will not cut in the food line, nor will they allow friends to join in their line
• Students will not leave the cafeteria for any reason without a pass
• Students will remove trays, utensils and trash to proper areas/containers
• Students will respond to direction from cafeteria monitors without argument
• Students will respect cafeteria property and use it only for its intended purpose
• Students may use this time to socialize with peers, however, trash and trays are to be properly taken care of prior to leaving their area

Food and drinks will not leave the cafeteria.
SUBSTITUTE TEACHER POLICY

This policy is needed to ensure quality substitute teachers when a WMS staff member is sick or is not present in the classroom for any reason. In order to ensure quality substitutes, students must extend the same respect to substitutes that they extend to regular staff members.

Students will receive an appropriate administrative consequence if a WMS administrator is called to deal with a legitimate student infraction of the PATS rules. Students will serve the consequence as soon as possible after the commission of the infraction.

RESTROOM USE POLICY

Students should try their best to take care of restroom needs before school and before, during, and immediately after their lunch periods. We ask for students not to use the restrooms during classroom transitions due to the limited built-in transition time between classes to maximize their learning potential.

Within the restrictions of the 10-10 rule, students are to use the classroom restroom pass to take care of restroom needs. Students are to follow the guidelines established by the teacher for the use of this pass and not abuse the privilege. Abuse could lead to individual privileges being revoked.

POLICIES FOR PERFORMING ARTS CLASSES

Because of the unique nature and demands of performing arts classes (band, chorus, orchestra, drama), each department publishes its own handbook of guidelines and rules that pertain to the special circumstances of each class (instruments, concert policies, appropriate concert attire, etc.). These policies are in accordance with the school PATS document but offer further details regarding specific class issues. Music handbooks are provided in the beginning of the school year. For more information please consult your child’s music teacher.

LOCKER USE POLICY

Having a locker is a privilege, not a right. Misuse of the locker will result in a student losing their locker privileges. Lockers are provided for students and are the students’ responsibility. Periodic checks will be made to assure lockers are kept clean and neat. Lockers may be searched at any time by an administrator/designee or instructional facilitator for good cause. All students may go to their lockers before homeroom and at the end of the day. Other specified locker times will be established according to grade level teams.

DO NOT SHARE LOCKERS and DO NOT give your combination to other students! Students are to padlock their belongings when in PE class. The lock is student-owned and must be removed after PE class.
FIRE DRILL POLICY

Orderly fire drills are a necessity if we are to assure a quick and safe evacuation. All drills are to be conducted as if they were real emergencies. When the alarm sounds, follow the guidelines below which apply to ALL students:

- There is to be no talking.
- Walk rapidly in an orderly manner towards the exit.
- Walk in single file, with no pushing and/or shoving.
- Exit quickly.
- Do not attempt to close windows, but do close the door.
- The first student in line will hold open the exit door.
- Students will walk at least fifty feet from the exit and face away from the building.
- Students will not walk between cars while crossing the parking lots.
- Wait for further instructions.

Students who are not in their class at the time of a fire drill (i.e., in Guidance, the bathroom, or elsewhere) will:

- Have a pass in their PATS Handbook.
- Report to the nearest exit and be accounted for on the teacher's roll at the nearest exit. The student should obtain a signature/time from that teacher to return to your class or to go to Guidance . . . the pass should then be signed again when the student leaves Guidance.

After the fire drill is completed, students will:

- Re-enter the building when given the signal in the same manner as they exited without talking.

During any other emergency situations, such as a tornado drill or a "Lock Down" situation, students will be silent and follow all directions of the teachers/administrators. Failure to do so will result in punishment of at least Extended Day severity.
FIELD TRIP POLICY

A field trip is defined as any trip taken by students under teacher supervision which leaves the school grounds. Such trips are designed to afford students an opportunity to enrich their educational experiences.

If there are concerns regarding a student outside of the school environment, a parent/guardian may be asked to chaperone. This will ensure that there are no distractions to those students attempting to enrich their educational experience. It will also ensure the safety of those in attendance at the field trip.

Exceptions will exist for:

1. An instructional field trip where a grade is associated with it. (I.E.-a musical performance)

Students involved in any misbehavior while on a school field trip may be denied participation in future school field trips. This will be a school-level decision.

Student Behavior on Field Trips

1. All bus regulations will be enforced if bus transportation is being used.
2. Students are to wear appropriate school clothes or as directed by the teacher.
3. Students must stay with their groups.
4. All school regulations will apply on field trips.
5. Lunches are the only source of food permitted on the bus.
6. Students will be allowed to attend the trip when they return a Field Trip Permission Form.
7. Probation status will prohibit students from participating in any after-school extracurricular field trip.
LIBRARY POLICIES

The library provides access to books, magazines, and online resources to be used for class assignments, research projects, and pleasure reading. While students are in the library or using library resources, they are to follow all school rules, the PATS document, the PWCS Code of Behavior, and the PWCS Acceptable Use Policy governing the use of telecommunication technologies.

Students may come to the library with a class or with a pass. Students may not be in the library unsupervised.

Library Checkout Policy

Students are permitted to check out up to two items for a period of three weeks. (Some resources are subject to a more limited checkout period). When students checkout books and other items, they are expected to return these materials by the due dates. Failure to return library materials timely will result in the following:

- As long as students have any overdue items, they are not permitted to checkout additional materials from the collection. They can only have access to the Read & Return rack, which has a limited selection of books.
- A total of two overdue notices will be sent to students via their homeroom or language arts teachers.
- If the library materials have been lost, students are to pay for them. [Refunds will be issued if students find their lost item and return it to the library within 30 days of the item being paid for]
- If, after three notices, students do not return or pay for overdue items, additional measures will be taken in an effort to retrieve these materials, including any of the following as needed:
  - Parents will be notified by phone or e-mail.
  - A bill will be sent home by mail or delivered during SLC conferences
  - The number of items students may be checked out may be reduced even when the library account is cleared.
  - Students may be ineligible from extra-curricular activities if overdue items are not returned or paid for

Using library computers and printers:

- As a rule, online resources are to be accessed for class assignments only. Playing games on the computers are not permitted during school hours, as it becomes a distraction to others in the library.
- Students must ask permission to print documents. Permission is granted for printing class assignments only.
ACADEMIC/CONDUCT ELIGIBILITY POLICIES

ACADEMIC
If a student fails more than one class for the nine-week reporting period, the student shall be declared **ineligible** for the next grading period. This period of ineligibility begins the day after report card distribution. First marking period eligibility will be determined by the student's previous year's 4th marking period grades. (See Below) Transfer students must have grades reviewed from the transferring school and these grades must meet our standards. Students declared **eligible** as a result of an end-of-the-grading-period report cannot be declared **ineligible** as a result of an interim report.

CONDUCT

**CONDUCT GRADE CRITERIA**

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>O</td>
<td>Outstanding</td>
</tr>
<tr>
<td>S</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>U</td>
<td>Unsatisfactory</td>
</tr>
</tbody>
</table>

- **O- Outstanding**
  - Zero tardies and zero incidents of misbehavior
- **S- Satisfactory**
  - No more than five total tardies or incidents of misbehavior in any combination
- **U- Unsatisfactory**
  - More than five tardies or recorded discipline issues (anecdotal record) in any combination

When a student is two tardies or discipline issues away from an unsatisfactory conduct grade, a verifiable parent contact must be made warning the parent of the issue that needs to be corrected to avoid an unsatisfactory grade.

When a student reaches the unsatisfactory conduct level, a verifiable parent contact must be made informing the parent of the pending conduct grade.

**NOTE:** If a student has an unsatisfactory conduct grade on the day the interim is given to them, they may receive a satisfactory at the end of the grading period if there are NO additional tardies or discipline issues for the remainder of the grading period.

EXTRACURRICULAR CONSEQUENCES FOR INELIGIBILITY

Ineligible students are **not** allowed to attend or participate in any extracurricular programs during the ineligible period. An exception will be made if participation is in conjunction with a curricular event for which the student receives a grade. For example, a band student would be expected to attend an evening band concert in order to receive a grade.
ACADEMIC/CONDUCT ELIGIBILITY CONTINUED....

1ST MARKING PERIOD ACADEMIC/CONDUCT INELIGIBILITY

Rising 7th/8th graders declared "ineligible" as a result of 4th marking period grades/conduct will be able to participate in the fall activities (to include dances, clubs, etc.) if that student achieves ELIGIBILITY grades and conduct marks on the first marking period INTERIM. Failure to do so will continue the student’s ineligibility to participate in any extracurricular activities as laid out in the PATS Document. Eligibility for sports will be in accordance with currently published Prince William County Schools athletic guidelines.

PROCEDURE FOR BEING DECLARED ELIGIBLE AS A RESULT OF INTERIM REPORTS:

If academic and/or conduct grades meet the required standards, the student’s name will be removed from the list. Guidance will maintain an updated ineligibility list. Mid-grading period official interims will allow ineligible students meeting eligibility criteria to become eligible. As far as athletic team participation is concerned, a student who becomes eligible as a result of an interim may try out for a team and, if selected, may practice with this team; however, the student may not participate in any scheduled athletic contests until the academic standard is met at the end of a reporting period. Ineligible students who become eligible after a team is selected may not join a team.

Under Virginia Code, § 18.2-386.1, this crime is a misdemeanor if the victim is an adult, but a felony if the victim is under 18.

When a teacher has given permission for students to use their electronic devices, the teacher will supervise the hallway as their students gather their electronic device from their locker. When the technology-based lesson has been completed, students are to be supervised again as they return their device to their lockers. In order to minimize distractions in the hallways, teachers should avoid class transition times when gathering or returning devices to the lockers (obey 10-10 rule).
